

LACOBEL T Warm Grey Spandrel

Temperable back-painted spandrel glass

AGC Lacobel T Warm Grey Spandrel glass provides architects and designers with a uniform color and consistency for finished, seamless, and sleek exterior facades. Lacobel T Warm Grey Spandrel features a durable, factory-applied temperable industrial paint. It can be paired with ENERGY Select® low-e coatings to create a matching aesthetic to the rest of the facade.

AGC Glass North America, the world’s largest glass manufacturer, is committed to providing the widest range of products with world-class customer service. For easy, convenient, and fast access, Lacobel T Warm Grey Spandrel is available in AGC’s distribution network.

LACOBEL T Warm Grey Spandrel

	Notches	Yes	Before

Lacobel T back-painted spandrel glass must be either tempered according to ANSI Z97.1 or heat-strengthened according to ASTM C1048 by means of a convection furnace.

AGC requires glass fabricators tempering or heat-strengthening Lacobel T be an AGC Qualified Fabricator of Lacobel T. Please contact your local AGC Sales Representative for more information.

What’s so special about it?

What this means for you?

Aesthetically pleasing and functional

- Pairs well with ENERGY Select low-e coatings to give buildings the look of all glass facades
- Fully opaque to conceal unsightly structures and building components

Factory back-painted

- Provides ultimate uniformity and consistency
- Eliminates the hassle of manual painting before or after tempering
- Can be immediately cut and tempered

High-quality industrial paint

- Highly durable and suitable for exterior application
- UV-resistance prevents discoloration
- Moisture resistance allows usage in spandrel applications

Temperable

- Strong and safe, withstands thermal shock
- High resistance to impact and scratches
- Provides more flexibility for fabricators to manage production and inventory, resulting in faster response to market needs

Environmentally friendly

- Low Volatile Organic Compounds (VOCs)
- Cradle to Cradle Certified™ Silver
